Jesus Loves Me

Summer Love

*I love the summer's rays,
shining from the sun
the warmth of laughter
with children having fun,*

*I love summer's breezes,
gently drifting in the air
the sounds of pure delight
when the weather is fair.*

*I love summer's laziness,
the strolls down the lane
the sound of peacefulness
upon summer's gentle rain.*

*I love summer's smells,
fragrant with memories
the happy thoughts wafting
of BBQ's, friends and families.*

*I love summertime;
its smells, sights, & sounds
I love that God blesses me
when summer comes around!*

The disciples gave Jesus the food they had.
He gave thanks for it. Then the disciples passed
it out to the crowd. What food did they have?

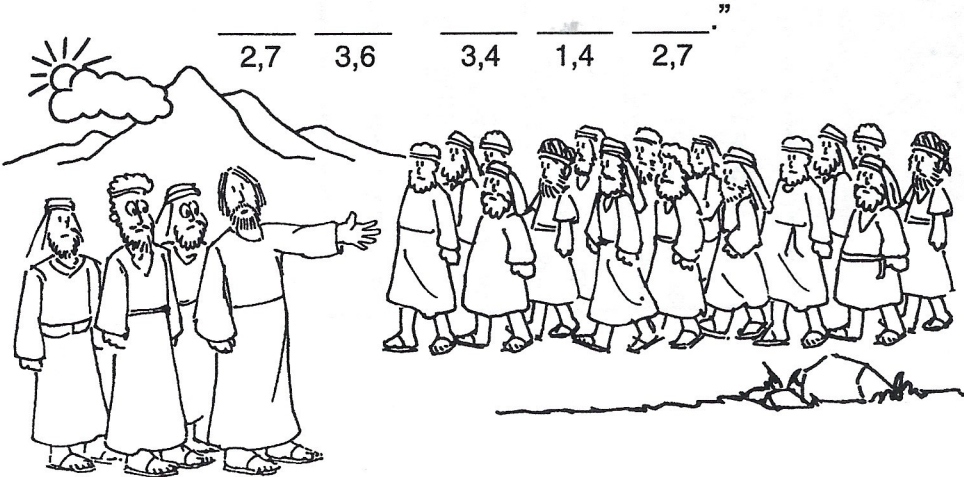

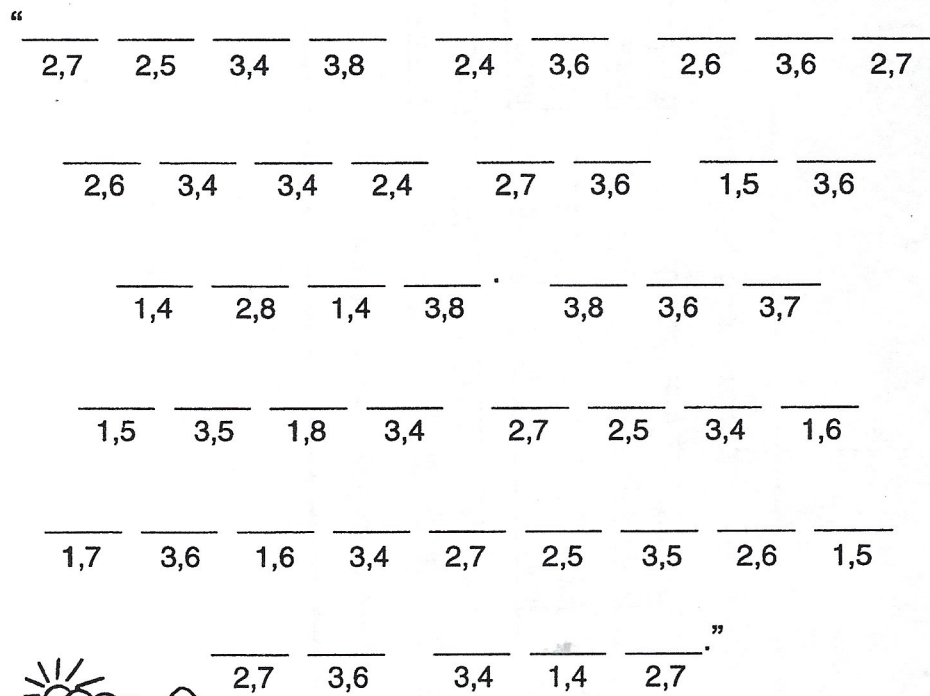

Write the first letter of the name of each picture.

The crowd had been with Jesus all day. At evening the disciples thought that Jesus should send the people away so they could buy themselves food.

What did Jesus say to the disciples?

In the spirit of unity, perhaps we should suspend our discussion on the tough passages of Scripture until next week.

"Notes from the Past...."

The Young Men's Brotherhood group was very active in the West Barre Methodist Church.

They were diligent students of the Bible in Sunday School. Their prayers supported the church.

They contributed much to the church in their efforts to improve the church building. They contributed financially.

Their efforts are an example of why History is important.

The efforts of these men from the early 1900's was part of the foundation of the West Barre Methodist Church that made it possible for the West Barre United Methodist Church to celebrate its 189th Anniversary this year.

I don't usually add a personal note. I knew Wilbur Mull and Andy Sanderson. I knew who Cuyler Paine was in the church when I was growing up. He sang in the choir. The large reed chair was reserved for him for choir in the choir loft because he was always late for church. He slipped in the choir door and into the chair to sing when he arrived.
